

SPEAKER BIOGRAPHY

Steven R. Delmoro
Director
Sales & Engineering
Gerstenslager Company
A Worthington Industries Company

Steve Delmoro is a 20 year professional in the automotive stamping industry. He has been a key driver in positioning Gerstenslager as a premier, flexible, low volume supplier of complex automotive stampings and assemblies in the industry. With shared p/l responsibility for the organization through this most recent recession, he led cost saving approaches that involved the use of new technologies, specialize employee training and State of Ohio grant funding. Results of these efforts include: effective productivity teams, lean business operations and an engaged workforce.

Mr. Delmoro holds a B.S. in manufacturing systems engineering from Kettering University and an M.B.A. in finance from the University of Akron.
